Documenting Danny Marianino's days as a metalhead from childhood into adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar

combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of Spinner "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of The Evolution of a Cro-Magnon and Meat is For Pussies

As a newly Made Capo in the Pivetti Crime Family, all eyes are on James "Mac" Maccari, and not for a particularly good reason. The way to his new position in the family was paved with blood, and that left some all too suspicious of where—or who—he might be going after next. Mac isn't interested in playing to the politics of other Made men or Cosa Nostra. His only goal is to keep his promise and be waiting for his gun moll when she's finally released from prison. Until all hell breaks loose ... again. Fresh off her six month sentence, Melina Morgan is all too ready to get back to life, and Mac. The mafia life has been one learning curve after another, but with Mac at her side, there's nothing that they can throw at her that she can't handle. Even with a ring on her finger, and a new last name to go with it, Melina won't be domesticated. But with a man like Mac, he wasn't exactly looking for that kind of a woman, anyway. Sometimes, wedding bells bring bloodstains ... When directed attacks start to happen, taking the lives of some of the highest Made men in the Pivetti family, distrust and unrest begins to breed throughout the ranks. Someone is making a move on the boss's seat, and it seems far too easy to put the blame at Mac's feet when every single attack is somehow connected to him. All over again, Mac and Melina find they're fighting an uphill battle to keep each other safe and survive. But this time, they might not be fighting alone ...
