in accounting or business.

The primary focus of Managerial Accounting is to help students understand the application of accounting principles and techniques in practice through a variety of engaging resources and homework exercises. By connecting the classroom to the business world through real company examples, an emphasis on decision making, and key data analysis skills appropriate at the introductory level, students are better prepared as future professionals in today's business world.

an organization's accounting system, thereby allowing them to be more intelligent users of these systems. The Ninth Edition demonstrates that managerial accounting is an integral part of the firm's organizational architecture, not just an isolated set of computational topics.

Managers in all organizations, throughout their professional careers, interact with their accounting systems as it is both a source of information for decision making and part of the organization's control mechanisms.

Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Managerial Accounting8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of
