Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The I-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. "Techs & specs", original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flammang values each model according to the popular 1-6 grading system invented by Old Cars magazine.

If you have questions about the fundamentals in our faith, then this series is for you. "Foundations" examines eight essential elements which define the Christian value system. The following questions are answered and more: What does it mean to be "saved"? Where did we get the Bible? How is the Bible relevant? What is the significance of "baptism"? What about the baptism in the Holy Spirit? Does God care about small aspects of my life? What is conviction? How does God expect me to handle my money? What is God's dream for my life? How do I fit into the church? Our hope is to answer all these questions in a unique and relevant manner that will change your life
