Le Prix d ' Amour, a vibrant Paris cabaret, is caught in the crossfire of the occupation. Everyone is being watched, and some of Le Prix ' s colourful performers are hiding dangerous secrets. Monsieur Maurice manages Le Prix d ' Amour, a successful Parisian cabaret, which boasts glitzy performers and sassy showgirls. But with the German occupation in June 1940, Maurice treads a fine line between his German patrons, the French police and the Gestapo as he hides the dark secrets of his performers. Two of his lively showgirls, Lily and Poppy, soon join Maurice in the hunt for

an informer who threatens to betray them. With the Allied landings, the tension builds and Maurice is pushed to his limits as his performers finally take the fight to the invader in their own flamboyant way. *Secrets and Showgirls* portrays an occupied Paris in which exotic cabarets existed uneasily under the heel of the invader. It follows the antics of Maurice, Lily and a glittering array of characters, but never loses sight of the battle to survive that characterised the life of the everyday Parisian.

Rosalie Laurent is the proud owner of Luna Luna, a little post-card shop in St. Germain, and if it were up to her, far more people would write cards. Her specialty is producing "wishing cards," but where her own wishes are concerned

the quirky graphic artist is far from lucky. Every birthday Rosalie sends a card inscribed with her heart's desire fluttering down from the Eiffel Tower - but none of her wishes has ever been fulfilled. Then one day when an elderly gentleman trips up in her shop and knocks over a post-card stand, it seems that her wish cards are working after-all. Rosalie finds out that it is Max Marchais, famed and successful author of children's books who's fallen into her life. When he asks her to illustrate his new (and probably last) book, Rosalie is only too glad to accept, and the two - very different - maverick artists become friends. Rosalie's wishes seem to be coming true at last, until a clumsy American professor stumbles into her store with accusations of plagiarism. Rosalie is hard pressed to know whether love

or trouble is blowing through her door these days, but when in doubt, she knows that Paris is Always a Good Idea when one is looking for the truth and finding love.

An engaging exploration of the style that permeates all things French—perfect for anyone looking to achieve that classic French flair For Harriet Welty Rochefort, an American who has lived in France for many years with her very French husband, it's clear that the French truly are singular in the way they live, act, and think—from the lightness of their pastries to the refinement of their Hermes scarves. They simply exude a certain *je ne sais quoi* that is a veritable art form. The French revel in the moment, appreciate the time spent in preparing a perfect feast, pay attention to the

slightest detail--whether flowers on the table or a knockout accessory on a simple outfit--and work hard when not enjoying their (considerable) leisure time without an ounce of guilt. Their joie de vivre can come where you least expect it: for the French it's better to have a chagrin d'amour than no amour at all, and for the Frenchman a day without discord is a day without a kick. They have fun (yes, fun !) when they fuss and feud, squabble and shrug. When it comes to joie de vivre, Harriet is convinced the French are unbeatable. With good humor and genuine affection for the prickly, paradoxical, and pleasure-seeking Gauls, she takes the reader on her own personal journey through the often byzantine French mindset, sharing tips and tricks such as how to diet like a Frenchwoman and project confidence like

a true Parisienne. In her signature warm, witty, and entertaining voice, Harriet shows how joie de vivre permeates the French way of life, precisely because it doesn't include a "pursuit of happiness." Fortunately, she discovered, you don't have to "pursue" happiness in France. It pursues you.

Ten-year-old Ernest lives a flat, colorless life. Each day is the same: he comes home right after school, eats a healthy snack, and does his homework. Enter Victoria, the new girl in class. Victoria instantly falls in love with Ernest, and bulldozes her way into his life. Much to Ernest's surprise, he likes it. Bit by bit, color seeps into Ernest's humdrum existence--and he begins to realize that life can hold an

endless variety of love, friendship, adventure, and change."Quirky characters, heightening suspense, and hilarious situations are deftly combined in this tender novel, which examines a few of the large and small ways people affect one another." --Booklist, starred review

From the international best-selling pen of Anne-Marie Villefranche comes another "improper" novel about the affairs of an intimate circle of friends and lovers. In the stylish Paris of the 1920s, games of love are played with reckless abandon. From the back streets of Montmartre to the opulent hotels on the rue de Rivoli, the City of Light casts an erotic spell.
