David Webb must once again assume the identity of assassin Jason Bourne as he matches wits with his mortal enemy, Carlos, a deadly and elusive terrorist known as "the Jackal," in a final confrontation.

Retelling of novel by Robert Ludlum; book written for upper-intermediate English language learners. Includes learning activities and word list at back of book.

"Elizabeth Wycckman Scarlatti has a plan, a desperate, last-minute gamble designed to save the world from her son Ulster, an incalculably cruel man who is working for the Third Reich under the name of Heinrich Kroeger. If Elizabeth cannot stop him, Ulster will give Hitler the most powerful instrument on earth"--Back cover.

Jason Bourne. He has no past. And he may have no future. His memory is blank. He only knows that he was flushed out of the Mediterranean Sea, his body riddled with bullets. There are a few clues. A frame of microfilm surgically implanted beneath the flesh of his hip. Evidence that plastic surgery has altered his face. Strange things that he says in his delirium -- maybe code words. Initial: "J.B." And a number on the film negative that leads to a Swiss bank account, a fortune of four million dollars, and, at last, a name: Jason Bourne. But now he is marked for death, caught in a maddening puzzle, racing for survival through the deep layers of his buried past into a bizarre world of murderous conspirators -- led by Carlos, the world's most dangerous assassin. And no one can help Jason Bourne but the woman who once wanted to escape him.

Jason Bourne returns to Georgetown University and the mild world of his alter ego, David Webb, hoping for normalcy. But after so many adrenaline-soaked years of risking his life, Bourne finds himself chafing under the quiet life of a linguistics professor. Aware of his frustrations, his academic mentor, Professor Specter, asks for help investigating the murder of a former student by a previously unknown Muslim extremist sect. The young man died carrying information about the group's terrorist activities, including an immediate plan to attack the United States. The organization, the Black Legion, and its lethal plot have also popped up on the radar of Central Intelligence, where new director Veronica Hart is struggling to assert her authority. Sensing an opportunity to take control of CI by showing Hart's incompetence, National Security Agency operatives plan to accomplish what CI never could--hunt down and kill Bourne. In Europe, Bourne's investigation into the Black Legion turns into one of the deadliest and most tangled operations of his double life--the pursuit of the leader of a murderous terrorist group with roots in the darkest days of World War II--all while an assassin as brilliant and damaged as himself is getting closer by the minute . . .

Jason Bourne is one of the most popular and compelling characters in modern fiction. Originally created by bestselling author Robert Ludlum, now New York Times bestselling writer Eric Van Lustbader carries on Ludlum's legacy with a new novel about the rogue secret agent who has lost his memory . . . Jason Bourne has been pursued by powerful governments--and escaped. Hunted by the most skilled assassins in the world--and outsmarted them. Targeted by terrorists--and defeated their plans for global chaos. But now, Bourne wants only one thing: retribution. THE BOURNE RETRIBUTION Bourne's friend Eli Yadin, head of Mossad, learns that Ouyang Jidan, a senior member of China's Politburo, and a major Mexican drug lord may have been trafficking in something far more deadly than drugs. Yadin needs Bourne to investigate. Bourne agrees, but only because he has a personal agenda: Ouyang Jidan is the man who ordered Rebeka--one of the only people Bourne has ever truly cared about--murdered. Bourne is determined to avenge her death, but in the process he becomes emmeshed in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Bourne's increasingly desperate search for Ouyang takes him from Tel Aviv to Shanghai, Mexico City, and, ultimately, a village on China's coast where a clever trap has been laid for him. Bourne finds himself pursued on all sides and unsure whom he can trust. As he moves closer to Ouyang, closer to avenging the woman he loved, he also moves ever closer to his own death . . .

Nowhere is a fast-paced conspiracy thriller by debut author Jon Robinson. 'No one's coming for us. Not our families, not the police. No one.' Alyn, Jes, Ryan and Elsa are Nowhere. A concrete cube in the middle of a dense forest. Imprisoned inside are one hundred teenagers from all over the country. They're all criminals. But none of them remember committing any crimes. Who has put them there. What do their captors want? And how will they ever break free . . . ? ***an intensely gripping conspiracy thriller for 11+ readers*** *** a phenomenal debut novel, for readers who love Jason Bourne and Alex Scarrow*** Jon Robinson was born in Middlesex in 1983. When he's not writing, he works for a charity in central London. NOWHERE is his debut novel. Find out more about Jon at www.facebook.com/jonrobinsonbooks

America's most enduring hero, Jason Bourne, returns in a propulsive, fresh story for the Bourne canon that tests old skills--and uncovers new ones. After the death of his lover in a mass shooting, secret agent Jason Bourne is convinced that there is more to her murder than it seems. Worse, he believes that Treadstone--the agency that made him who he is, that trained him--is behind the killing. Bourne goes rogue, leaving Treadstone behind and taking on a new mission to infiltrate and expose an anarchist group, Medusa. But when a congresswoman is assassinated in New York, Bourne is framed for the crime, and he finds himself alone and on the run, hunted by both Treadstone and the tech cabal that had hired him. In his quest to stay one step ahead of his enemies, Bourne teams up with a journalist, Abbey Laurent, to figure out who was behind the frame-up, and to learn as much as he can about the ever-growing threat of the mysterious Medusa group. As more and more enemies begin to hunt Bourne, it's a race against the clock to discover who led him into a trap...and what their next move may be.
